B. **Purpose**

The purpose of the grievance procedure is to protect the rights of the parties. The intent is to secure a uniform and appropriate method of resolving disputes and problems in a consistent manner.

Failure of the Board to respond to a grievance within the time limits specified herein will permit the grievance to be presented at the next level. Failure of the grievant to appeal within the time limits specified herein will be deemed acceptance of the disposition at the preceding level.

C. Procedure

A grievance shall be deemed waived and barred and outside the jurisdiction of an arbitrator if it is not presented in writing within the longer of twenty (20) school days of the occurrence complained of or twenty (20) school days after the administrator would be reasonably expected to know of its occurrence.

In the presentation of a grievance, an employee shall have the right to present his or her own appeal or to designate a representative to appear with him or her at any step in his or her appeal.

Level One: An employee shall first present his or her grievance, verbally, to his or her immediate supervisor. In the case of a principal, the term "immediate supervisor" shall be the Superintendent.

Level Two: If the grievance is not resolved to the employee's satisfaction within five (5) school days after discussing with the immediate supervisor, the employee may submit his or her grievance to the Superintendent in writing specifying:

1. The interpretation, application or violation of this Agreement or Board policy or Administrative decision which affects a term of condition of employment, and
2. The specific section of the Agreement, Board policy or Administrative decision allegedly violated, and
3. The extent of the injury, loss, or inconvenience resulting from the alleged violation of the term or condition of employment, and
4. The date of the alleged interpretation, application, or violation, and
5. The specific remedy sought.

Within five (5) school days from the receipt of this written grievance (unless a different period is mutually agreed upon) the Superintendent may in his or her discretion hold a hearing at which all parties in interest shall have the right to be heard.

Level Three: If the Superintendent does not render a decision within ten (10) workdays of the receipt of the written grievance, or if the Superintendent's decision is unsatisfactory to either party, then the dissatisfied party may appeal to the Board. Such appeal must be submitted within five (5) days of the Superintendent's decision or, in the event the Superintendent does not render a timely decision, within fifteen (15) days of the date the written grievance was submitted to the Superintendent.

Where an appeal is taken to the Board, there shall be submitted by the appellant:

1. the written grievance submitted to the Superintendent, any written response by the Superintendent and any other material relevant to the grievance; and
2. a copy of said materials shall be furnished to the Superintendent.

If the appellant in his or her appeal to the Board, does not request a hearing, the Board may consider the appeal on the written record submitted to it, or the Board may, on its own, conduct a hearing, or it may request the submission of additional written material. Where additional written materials are requested by the Board, copies thereof shall be served upon the adverse parties who shall have the right to reply thereto. Where the appellant requests in writing a hearing before the Board, a hearing shall be held.

The Board shall make a determination within forty-five (45) days from the receipt of the grievance and shall in writing notify the employee, his or her representative if there be one, and the Superintendent of its determination. The time period may be extended by mutual agreement of the parties.

Level Four: If the grievant is not satisfied with the Board's disposition of the grievance, the Association may request no later than ten (10) school days after receipt of the Board's written decision that the grievance be submitted to nonbinding arbitration except as provided by law. The choice of arbitrator will be made by mutual agreement between the parties. The Association shall make such a request for nonbinding arbitration within ten (10) working days after receipt of the written disposition of the grievance by the Board.

1. The arbitrator shall limit himself or herself to the issues submitted to him or her and shall consider nothing else. He or she can add nothing to, nor subtract anything from, the Agreement or any policy of the Board.
2. The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination or reprisal in presenting his appeal with respect to his or her grievance.
3. The decision of the Arbitrator shall be nonbinding, except to the extent such decisions shall be binding as a matter of law.
4. There shall be no arbitration of any issue regarding, relating to, or involving managerial prerogative including but not limited to educational performance, non-renewal, assignment or issues that are appropriately appealed to the Commissioner of Education.
